

UBC Family Medicine Residency Program
Site Faculty – Curriculum
EDUCATION DELIVERABLES

Together with the Site Directors, Lead Faculty and other Site Faculty, the Site Faculty for Curriculum form the "matrix" type of organization of the UBC Family Medicine Residency Program

Qualification:

- Membership in and certification by the College of Family Physicians of Canada
- Eligibility for licensure in B.C.
- Eligibility for faculty appointment (clinical or academic) in the UBC Department of Family Practice
- Educational and administrative experience is required
- Demonstrated passion and ability in teaching and working with residents

Responsibilities include:

- To be familiar with and conversant in:
 - the accreditation standards of the:
 - CFPC "Red Book" (see CFPC accreditation webpage) and
 - Conjoint RCPSC-CFPC-CMQ General Standards of Accreditation (see CFPC Accreditation webpage)
 - the CFPC Triple-C Curriculum and the CanMEDs-FM roles (see CFPC website).
- Together with the Site Director, is responsible for:
 - curriculum planning and implementation at the site
 - ensuring that the site curriculum meets the learning objectives set by the program as well as the accreditation guidelines of the College of Family Physicians of Canada
 - the planning and implementation of an academic program for residents at the site, to be delivered during the academic time.
 - on-going strategic planning of the curriculum
- Attendance at and participation in the monthly Site Education Committee meetings and other relevant functions as required.
- Regular communication with the Site Faculty for Assessment and Evaluation to ensure, along with the Site Director, that the "Learning Cycle" is optimized.
- Attendance at and participation in program-wide Curriculum Tele-/video-conferences and Retreats with a view to:
 - sharing information and resources
 - reviewing, revising, and (re)writing objectives and other program-wide curriculum resources
 - creating new program-wide resources
- Participation (maximum 8 hours per year) in the collaborative resident selection process both at the Program level and at the site level
